

# Waqf Management System of India

January 2014 Updates

An e-Governance Initiative under the aegis of Ministry of Minority Affairs, Govt. of India

## National Waqf Development Corp. Ltd. (NAWADCO)

Hon'ble Prime Minister of India **Dr. Manmohan Singh** alongwith **Smt. Sonia Gandhi** Hon'ble Chairperson, UPA and NAC-GoI, inaugurated the National Waqf Development Corporation Limited (NAWADCO), a new Central Public Sector Enterprise under Ministry of Minority Affairs, Government of India on January 29, 2014 at Vigyan Bhawan New Delhi in presence of Hon'ble Union Minister of Minority Affairs, Govt. of India Shri K. Rahman Khan and others dignitaries and prominent citizens. NAWADCO has been established with Authorized Share Capital of Rs.500 Crore with a Paid-up Capital of Rs.100 Crore.

NAWADCO will facilitate and mobilize financial resources for the development of Waqf properties for community development purposes in joint venture basis with the State / Union Territory Waqf Boards and the Mutawallis. Since Waqf Boards and the Muthawallis were not having the financial resources to develop the properties leading to encroachments and it is hoped that NAWADCO shall prove to be an important institution for the development of Waqf properties for the community welfare particularly for Muslims in India.

NAWADCO is also a first step towards creating a Shariah-compliant infrastructure building institution. As in Islam, giving interest is a sin and a Quranic injunction, therefore, most Muslims keep themselves away from normal banking channels. They look forward to the Government to facilitate establishment of certain Shariah compliant financial institutions, where the savings of Muslims can be deposited and used for their educational and economic developments. Here, NAWADCO will facilitate issuing of Shariah-compliant Bonds to channelize savings of Muslims for community welfare.

Prime Minister while inaugurating NAWADCO said that it is another step forward in efforts to promote the interests of minorities in the country. Chairperson, UPA & NAC had emphasized in her speech that allocation for minority welfare programmes has been raised 10 times in the last 10 years but in spite of all efforts the benefits have not percolated to the desired beneficiaries. She asked to strengthen the monitoring mechanism and grievance redressal system.

## Unauthorized Occupants Bill

The Sachar Committee in its report dated 17-11-2006 recommended to treat waqf as Public Premises as these properties are for the benefit of public and not for individual and encroachment on these properties to be treated as encroachment on Government Land. In view of this, Union Ministry of Minority Affairs moved a proposal to the Union Cabinet to have a Stand-alone legislation to protect Waqf Properties from encroachments and alienation in consultation with Union Ministry of Law. The Cabinet has approved the feasibility of "Waqf Properties (Eviction of Unauthorized Occupants) Bill, 2013" in its meeting held on January 30, 2014.

The new legislation when passed by the Parliament will be highly beneficial for the entire Muslim Community, as it will provide a perfect mechanism for protection of the Waqf Properties from encroachment, alienation, unauthorized occupation and thus, would allow for a better management of Auqaf, so that the income generated could be utilized for the benefit of the community as per the intent of the Waqif.

## National Conference on Waqf

A National Conference was held on January 29, 2014 on amended Waqf Act Implementation. Hon'ble Union Minister Shri K. Rahman Khan had urged the Managers (Mutawallis, Management Committees, Administrators, SWBs) to strengthen Waqf Institutions to achieve envisaged objectives using modified Waqf Act provisions and streamline their functioning within the specified timelines as their roles, responsibilities and accountability has increased.
