EICHER ENGINES

When Power Matters
AUTOMECH gensets (powered by EICHER ENGINES) that will shatter the established power equations in the industry......Setting new benchmarks of ruggedness, reliability and performance.

ABOUT US

Automech gensets are manufactured by Veena Industries Limited, the company which has been at the forefront of excellence in engineering since 1978. 'Veena Industries Ltd.' is promoted by 'Agarwal Group' and is headed by two IIT Kanpur graduates. The group has seen a phenomenal growth rate with its turnover increasing from Rs 60 Cr to Rs 400 Cr in the last 4 years, itself.

This unprecedented high growth has primarily been fuelled by our moving in the direction of our group's vision viz., "to be a leading player in the energy sector through manufacture of Gensets, windmills and solar power equipments and also to become a quality supplier of engineering products and services for domestic & international customers".

Already we are one of the largest suppliers of Gensets in the country today. Our Gensets are sold under the brand name of "Automech" and we assemble an average of more than 2000 DG sets pm.

AUTOMECH DG sets are powered by 'EICHER ENGINES', well known for their ruggedness, economics of performance & high reliability. Eicher Engines are based on AIR/WATER-COOLED technology and have powered more than 50,000 Silent DG Sets running across the country.

Eicher Engines have earned the trust of millions of users as these engines can be operated for long periods without stopping the engine, require lowest maintenance cost, offer best-in-class fuel economy and meet the latest emission norms.

Veena Industries Ltd is authorized GOEA of Eicher Engines. We have created an enviable position for ourselves in the Industry because of our commitment towards product quality and total customer satisfaction. Our state-of-the-art design & manufacturing facilities, strong service support and customer friendly attitude have made 'AUTOMECH' DG sets the first choice for most telecom corporates such as Airtel, Hutch, Reliance, Idea, Nokia and many others.

Veena Industries Limited has always been associated with Modern Infrastructure, continuous Research and Development, and its sales and service network.

At Veena Industries Limited, we bring a tradition of superior technology, unbeatable quality and uncompromising value. A tradition that has always been our legacy.

Its our commitment to ensure that our customers get the world class, top-of-the line product. We employ best-in-class technology, so that we can enhance performance and profitability at your end.
ABOUT EICHER ENGINES

Eicher Engines is a unit of TAFE Motors and Tractors Limited (TMTL) with Alwar as the manufacturing base. TMTL is wholly owned subsidiary of TAFE, part of Chennai based Amalgamation Group having pan India presence of 47 companies and turnover over 6000 crores

EICHER ENGINES- KEY HIGHLIGHTS

• Awarded National Productivity Council Recognition thrice for productivity performance.
• Pioneers in Air Cooled Technology and also offers fuel efficient water cooled engines.
• Using quality management tools like TQM, TPM, SGA, Kaizen extensively to meet global standards of quality & productivity.
• A customer base of 5,50,000 + satisfied engine users for various applications.
• DGS&D Approved engines and Gen.-set confirming latest CPCB norms.
• After sales service through country-wide network of authorized service dealers.

EICHER ENGINES- POISED FOR GROWTH

Eicher has a strong base of over 75000 satisfied customers in power generating set segment and aspires to become one of the leading players in this segment through continuous improvement in product and product range using better technology, customer service to meet the global standards of quality and productivity.

In last 4 years, more than 65000 nos. of Eicher gensets have been supplied to Indian telecom industry, including the industry majors like Hutch, Reliance, Bharti, Idea, Tata Teleservices, Indus, Aircel, BSNL, Railtel etc. The supplies were direct to end users (service providers) as well as the equipment suppliers & Infrastructure providers like Quippo, Towervision etc.

EICHER ENGINES TECHNOLOGY AND USP’s

• Air Cooled Technology
• Modular construction
  (Very high parts commonality)
• Plateau honed liners
• DVM steel oil control ring
• Piston cooling through oil jets
• Dry type air cleaner
• Valve stem oil seal
• Individual blower per cylinder
• Reliability & B10 Life > 5000 hours
• A1 Governing as per BS 5514
• High lugging power & backup torque
• Very low blow by < 0.7% of airflow
• Oil consumption < 0.15gm/hp-hr
• Non stop operation - Can be operated for long period without the need to stop the engine

All the R/C particulars including prices in respect of individual R/Cs are available 
on DGS&D website which can be accessed by all. 
The DGS&D website is http://dgsand.gov.in
Performance Bank Guarantee:
W.S. Venea Inds. (P) Ltd., DG sets with Turbocharged engines have furnished Performance Bank Guarantee of Rs. 10 Lac upstream valid for a period of one year from the date of tender opening or till the manufacturer gets the Type Test Certificate and Endurance Test Report for their turbocharged engines in line with IS:3618-1995-reaffirmed 2000, whichever is later and not in any case beyond one year from the date of tender opening.

DG sets manufacturer shall furnish invoices and OEMS Test Certificate for Engine and Alternator. The invoice should have been billed directly to PC Sets manufacturers. Original will be shown to the visiting Inspector for verification. A copy of the invoices may also be enclosed with the I/Notes for facilitation of end user.

DG Sets manufacturer may take steps to request OEMS to take necessary action so that the details of contracting invoices / Bills are available on the OEMS of Engine/Alternators websites for facilitating easy verification by stake holders. While dispatching the DG Sets to Consignee, the suppliers shall issue letters to respective engine and alternator manufacturers whose engines/alternators as the case may be have been used in the DG Sets supplied, informing them about the consignee's details including name and location, so as to take care of their maintenance requirement in future. Simultaneously, consignee will also be addressed about the details of service centre (Name and Mailing Address, T-MAIL addresses, telephone number and name of contact person etc) of engine manufacturers/Alternator Manufacturer, who may be contracted for obtaining support during maintenance. This requirement shall, however, be in addition to the contractual obligation of DG Sets supplier.

Special Terms & Conditions
NOTE: IT MAY BE NOTED THAT IF ANY DETAILS IN THE TECHNICAL QUESTIONNAIRE IS NOT QUESTIONNAIRE COMFORMS TO THE TECHNICAL SPECIFICATIONS/REQUIREMENT, THEN TENDER ENQUIRY SPECIFICATIONS WOULD PREVAIL IRRESPECTIVE OF STIPULATIONS MADE IN THE QUESTIONNAIRE.

Item Description

Other Clause:

1. UNDER SCHEDULE - B 'Special Terms & conditions'

2. ANP: THE EXISTING ENTRIES,

ACD: (a) Engine Models corresponding to DG Sets Models shall be as per Answers to the Questionnaire.

Format of item-wise DG Sets Models are given as under:

Item No. DG Sets Model Nos.: 4 AUTOFHCN/EVA17100C-B
6 AUTOFHCN/EVA231561-B
24 IOTUNEHCN/KVA171085C-B

Signature: [Signature]

[Signature]
All other terms and conditions of the R/C Shall remain unaltered.

Please ack. receipt.

Yours faithfully,

(Ch. Mathur)

(Section Officer)

For & on behalf of Purchaser named in DGS&I-1001
With effect from First October Two thousand eight (01-10-2008), all Supply Order(s) against this Rate contract must be placed Direct Demanding Officer(s) on-line through D.G.S & D web Site (www.dgsad.gov.in) (Indentor’s page) only. Supply order(s) in any other form placed on or after 01-10-2008 shall not be valid and shall not be acted upon by the contractor or any other concerned agencies.

DDD shall download the Supply order and send an ink signed copy to the concerned paying authority specified in the Rate Contract through Registered / Speed post immediately after on-line placement of Supply Order(s).

Copy TO

1. The Chief Controller of Accounts, Department of Commerce, New Delhi/ COA Mumbai/COA Kolkata/COA Chennai,

FOR DIRECTOR GENERAL OF SUPPLIES & DISPOSALS
WHY AUTOMECH?

**BEST QUALITY PRODUCT**
- CNC based canopy manufacturing facilities.
- Automated powder coating
- Durable & weatherproof finish
- High quality components
- Latest assembly & testing facilities
- Rugged and reliable
- Proper care during handling and shipment

**LOWEST COST OF OWNERSHIP**
- Lowest fuel consumption
- Low cost of spares and service
- Competitive product price

**NO SPACE CONSTRAINT**
- Compact & lightweight design
- Designed for outdoor installation
- Expertise in difficult rooftop installation

**IMMEDIATE DELIVERY**
- Large-scale manufacturing capabilities
- Continuous supply to telecom companies
- Local warehouse

**NO INCONVENIENCE TO NEIGHBORS & OWNERS**
- Silent operation
- Low smoke emission

**MINIMUM DOWNTIME**
- Inherent product reliability
- Vast service network with well trained technicians
- Timely periodic service
- Quick response to breakdown calls
- Local availability of spares
- Stand-by gensets in major cities
- Safety alarm for all contingencies to allow response lead time

**HIGH END TECHNOLOGY AT LOW COST**
- Low cost AMF panels
- Remote start and monitoring systems
- Sophisticated equipment for pre-purchase load measurement & post commissioning optimization of genset loading.
OUR VISION

The vision of Veena Industries Limited is to be a leading player in the manufacture of silent gensets & alternate energy equipments. We shall endeavor to produce world-class money-for-value engineering systems & components.

OUR MOTTO

We at Automech not only believe in total customer satisfaction, but we believe in customer delight and to achieve this we are at your service 24x7x365.

OVER THE YEARS....

OUR VISION

An ISO 9001:2000 Certified Company
It is our policy to deliver products and services that satisfy the present and future requirements of our customers. Quality will reflect in all our work. We shall ensure that the customers get the products on time, every time, as per the agreed quality & quantity. Our team of employees & suppliers is committed towards continual quality improvement.

Our DG sets are CPCB compliant, and thus we help in keeping our environment clean.

Customer Delight
24x7x365
Veena Industries Limited
MANUFACTURING

Automech gensets are manufactured at three state of the art plants, situated at Pune, Silvassa, and Jammu. All these plants are equipped with the latest machinery such as CNC Laser Cutting, CNC Bending and a fully automated powder coating facility. The factories are ISO 9001-2000 certified units. The plants are also fully equipped with modern equipment for manufacturing and testing of gensets. Quality checks are applied across the complete production cycle, and all these are managed by the qualified engineers and skilled/experience workforce.

The canopies are modular in design and are manufactured using CNC Laser machine to ensure zero defects.

CNC Laser Cutting Machine
Make: Trumpf, Germany

CNC Press Brakes
Make: Ermakson, Turkey

Surface Treatment Unit
Nine Tank Process

Automated Powder Coating Facility
RESEARCH AND DEVELOPMENT

Major research and development focus ensures that the latest technologies are developed and adapted to deliver superior performance constantly. A dedicated centre for vibration measurement, emission testing, which ensures that all our gensets comply with the latest CPCB norms.

The R & D department constantly keeps on upgrading and improving the performance parameters to meet the customer needs.

AFTER SALES SERVICE & INSTALLATION

We at Veena Industries Limited believe that good after sales service is one of the best practices to retain old and to make new customers. We have an extensive service network throughout India, which works 24×7×365.

*We undertake Annual Maintenance Contract (AMC) for our gensets.*

ALSO AVAILABLE

- Auto Mains Failure (AMF) Panels
- Auto synchronizing & load-sharing panels
- PLC based control Panel
- Trolley Mounted Silent Gensets
- Remote Start & Monitoring System
